

A Women's Ministry Service Opportunity

 This ministry will provide two meals for foster families when a new child is placed in their home.

 Each meal will include a casserole, salad, bread, and dessert. Casseroles will be precooked and frozen, with salad, bread, and dessert prepared when family placements are confirmed. Frozen casseroles will be stored in a central location.

 Volunteers have two choices for participation: making casseroles to be frozen or adding fresh items and delivering meals.
