

Sermon Notes

ON WINGS OF EAGLES

Deuteronomy 32:11-12 (KJV)

Our text refers to the “struggles” of an eagle learning to fly.

Step 1. The mother eagle stirreth up her nest.

Step 2. The mother eagle hovers over her young.

Step 3. The mother eagle takes her baby on her back and soars upward.

Notice four ways we can respond to the struggles and troubles of life.

- I. We can respond irrationally.
- II. We can respond resentfully.
- III. We can respond faithfully.
- IV. We can respond creatively.
