The Apostle James wanted to help these earlier believers see the troubles and the trials of this life through the lens of the \_\_\_\_\_.

## Two Types of waves that hit us.

1. \_\_\_\_\_ waves
2. \_\_\_\_\_ waves

Every wind and wave brings with it an opportunity to discover a \_\_\_\_\_ and \_\_\_\_\_ that's not dependent upon the condition of the water.

The word " \_\_\_\_\_ " means "an intentional and prolonged thinking about".

We all struggle with the question " \_\_\_\_\_ "?

One theologian calls God the " \_\_\_\_\_ ", because God can take anything and everything that happens and weave them together into something that surprises you.

When you find yourself overwhelmed by a wave, \_\_\_\_\_ into it.

God will not \_\_\_\_\_ a \_\_\_\_\_ in your life when it's surrendered to Him.
