If the church truly wants to show Jesus' love to others,
they will _____.

Principle #1

Serving must become a _____ rather than an isolated _____.

Principle #2

When our motives are pure our service is _____ to _____.

Serving is about offering yourself when it
doesn't benefit your own _____.

When you get to the point that you really don't care whether
you get the credit or not, and you don't care if anyone acknowledges or sees
your service, that's when you're on
the break of becoming a _____.

God's reward in the _____ is much greater
than any recognition in the _____.

When you serve others, you serve _____.

Principle #3

Value _____.

"...planning to love people is different than just loving people, it's easier to
make plans than to make time. If this is you, here's how to fix it: make
_____ your plan." –Bob Goff

When it comes to serving, you may feel unqualified, you may feel overwhelmed
and you may feel out of your comfort zone, but God is not asking you to do
everything; God is just asking you to _____. Will you?
